1. Purpose

The Carlile Swimming Competitive Program encourages all swimmers to adopt and abide by the following swimmers' code. The swimmers code determines the way in which swimmers will behave and conduct themselves at all times while participating within the Carlile Swimming Competitive Programs.

2. Policy

2.1 Swimmers code

Carlile Swimming Competitive Program members strive to:

- Focus on continual self-improvement as their primary goal
- Apply themselves fully in every race and take pride in their performance
- Commit to the needs and requirements of their training squad and club team
- Honour participation in club relay teams
- Be humble in success and gracious in disappointment
- Respect their coaches and follow their advice
- Be courteous to fellow competitors and officials
- Appreciate the many benefits that accompany participation in competitive swimming.

2.2 Additional Policies and Guidelines

In addition to the Swimmers code detailed above, individuals are subject to and bound by the following industry Policies and Guidelines:

- Swimming Australia General Code of Conduct
- Swimming Australia Safe Sport Framework
- The Carlile Swimming Competitive Program Values
- The Carlile Swimming Competitive Program Complaints Handling Framework
- Carlile Swimming Team Constitution, By-Laws and Policies
